## WS-9

Wheel Weight Shelving System

## PRODUCT FEATURES

Quickly and safely bring a full assortment of wheel weights from storage to the balancer with the **WC-8 Wheel Weight Cart**. Save time, money and back injuries by using the WC-8 Wheel Weight Cart! Six sturdy shelves easily support 1800 lbs of wheel weights. Each shelf holds 5, 8" square wheel weight boxes, 25 in all! The two center casters on the WC-8 are taller than the four outside casters creating a pivot point so the WC-8 can be turned and moved in and out of tight sharp areas with little effort.

The **WS-9 Wheel Weight Shelving System** enables you to organize, categorize and store any variety and volume of wheel weights. The 6 steel shelves will hold a total of 2400 lbs. Each shelf will hold up to (10) 8 x 8 x 8 wheel weight boxes. The WC-9 Wheel Weight Shelving System is easy to assemble and can be joined with additional units when more storage is needed.
